FURTHER NOTICE OF PROPOSED RULE MAKING

Adopted: March 1, 1995; Released: March 10, 1994

Comment Date: May 1, 1995

Reply Comment Date: May 16, 1995

By the Chief, Allocations Branch:

1. The Commission has before it the *Notice of Proposed Rule Making*, 9 FCC Rcd 3580, (1994), requesting comments on the petition for rule making filed by Cotton Broadcasting ("petitioner"), licensee of Station KMIQ(FM), Channel 286A, Robstown, Texas. Petitioner sought the substitution of Channel 283C3 for Channel 286A, the reallocation of Channel 283C3 from Robstown to Driscoll, Texas, and the modification of petitioner's license to specify Driscoll as Station KMIQ(FM)'s community of license. In order to accommodate the reallocation to Driscoll, petitioner also requested the deletion of vacant Channel 283A at Gregory, Texas.

2. In regard to the deletion of the vacant and unoccupied channel at Gregory, the *Notice* stated that we would not delete a channel where an expression of interest is demonstrated by the filing of an application. Therefore, we stated if we received an acceptable application by the initial comment period specified in the *Notice*, which in this case was September 19, 1994, petitioner's proposal to delete Channel 283A at Gregory would be dismissed. However since that time, the Commission had imposed a freeze for both new application proceedings and comparative renewal proceedings.¹ Since the application filing windows were frozen during the comment period of this proceeding, parties were unable to file an application for Channel 283A at Gregory. In order to address this inconsistency, we are issuing the *Further Notice* to set forth a comment period by which an expression of interest for Channel 283A at Gregory can be filed.

3. Parties may comment on the proposal to delete Channel 283A at Gregory, Texas. However, we will not accept counterproposals with regard to the allotment of Channel 283C3 at Driscoll, Texas.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **May 1, 1995**, and reply comments on or before **May 16, 1995**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Lee J. Peltzman, Esq.
Shainis & Peltzman
Suite 200
2000 L Street
Washington, D.C. 20036
(Counsel for petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202)634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
